TURRIETA, ALFREDO	01/08/2017

On 12/23/2016 Friday at approximately 2236 hrs. I was on duty in uniform displaying my badge of office for the Mountainair Police Department in the County of Torrance and the State of New Mexico I was dispatched to 509 N. Forest in reference to a Domestic. Upon arrival I made contact with a male subject who became known to me as Ernesto Lopez. Mr. Lopez stated the argument was with his daughter. I spoke with Mr. Lopez's daughter who was in the bedroom she stated that the argument started over Mr. Lopez wanting to have his daughter touch a tin can containing popcorn. He told her it was made of tin and wanted her to push down on the top. The daughter did not push down hard enough and Mr. Lopez got angry. Mr. Lopez had been drinking at home and gets in an arguing mood when he drinks. In speaking with Mr. Lopez's daughter she stated that her mom who does not live at the residence will be picking her up and taking her to ABO to stay there. Mr. Lopez also had an older daughter who is 18 years old and she had an infant child in the home who is 1 year old. They too left Mr. Lopez's residence and were going to stay with their mom in ABO. End of Report.
